

A black and white woodcut illustration of a medieval street scene. In the foreground, a man in a long robe and hat kneels before a man in a tunic and hat who is holding a staff. To the left, a man in a tunic and hat stands with a sword. In the background, a large building with many windows and a balcony is visible. A cart with a wheel is on the right.This image shows a blank sheet of cream-colored paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. At each end of every line, there is a small, dark grey diamond shape. This design is typical of a notebook or a template for a specific type of writing exercise.[illegible][illegible]
